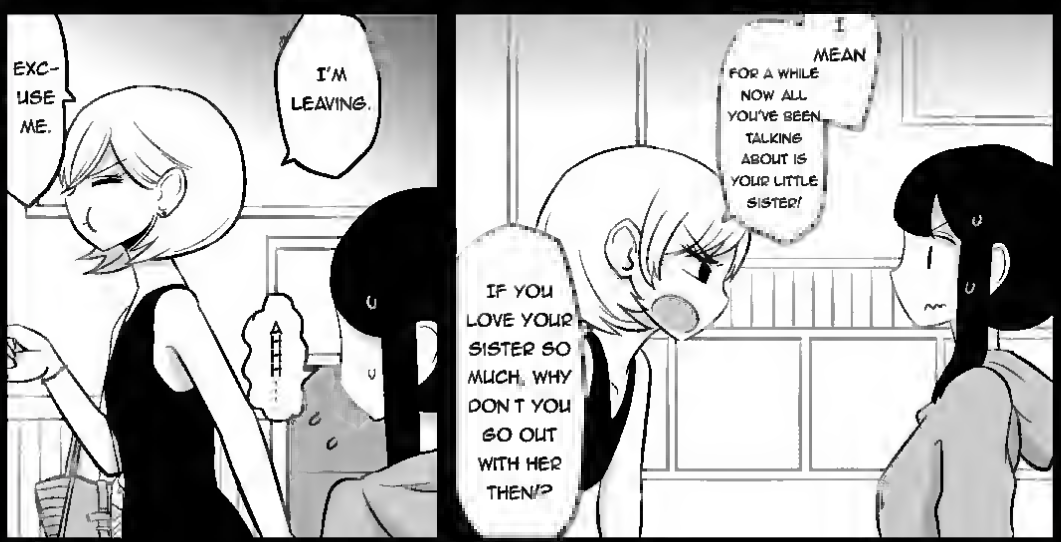
9. I Love My Sister Too Much



I MEAN FOR A WHILE NOW ALL YOU'VE BEEN TALKING ABOUT IS YOUR LITTLE SISTER!
IF YOU LOVE YOUR SISTER SO MUCH, WHY DON'T YOU GO OUT WITH HER THEN!?
EXC-USE ME.
I'M LEAVING.
AHH...

I'M A WRECK ...
DESPERATELY LOOKING FOR A LOVER JUST SO I CAN FORGET ABOUT HER...
IN THE END I STILL HAVEN'T GOTTEN OVER HER JUST YET.
I ALWAYS UNCONSCIOUSLY TALK ABOUT SAYO AND MAKE THEM ANGRY.
SIGH...
I GOT DUMPED AGAIN...
YET I STILL HAVEN'T GROWN UP AT ALL...
I'M IN COLLEGE NOW...
I STILL LOVE SAYO...
EVEN NOW...
Still remains strong inside of me.
Even though I should have already given it up, the feeling that I had back then...
My first love was the little sister 5 years younger than me back home.

I would fall in love with my own little sister.
But I never thought ...
BF
She practiced kissing with me so that she could kiss with that boyfriend.
It seems that my sister has a boy-friend.
But at least, I can make an effort to not lose to any man.
I knew that no matter how much I study, I can never become a man for her.
Even so, I wanted to do what I could to make Sayo happy.
Sisters aren't allowed to fall in love with one another.
I must become a person she can depend on, be it money or just as a person.
Graduate from a good university, join a good company.
It was not just on the sur face.
Worse, the me from back then with a vague path of life didn't know what I should do to protect my sister.

I just wanted to prove myself as a person by over coming this obstacle.
I didn't care whether we were releted by blood or thet we are both girls
I wanted to confess my feelings to Sayo with my chest held high the moment I climbed pass this wall.
I failed to enter my school of choice once ...
But I didn't give up.
That was what I swore to myself. But before I could do that...
I will con- fess to Sayo
When I pass the exam ...
My sister wouldn't speak to me anymore.
From that day on...
SAYO?
.....
.....
WHAT'S WRONG, SAYO?
YOU CUT YOUR HAIR.
DID YOU HAVE A BREAK-UP?
EH?

EH...?
DOES SHE HATE ME NOW ...?
キッ
While I was studying like mad ...
My sister has grown distant from me.
Although I was accepted by my university ...
I was never able to confess to her ...
And then
On the day I had to leave ...
She kept glaring at me
As she was seeing me off.
I never knew what I did to have made her hate me so.
We don't keep in touch anymore since then.
And so, my first love has ended.
